Community Lakes Association

The Community Lakes Association organized 28 years ago to help protect the health and beauty of the ponds and lakes in and around the Maine towns of Woodstock and Greenwood. We help spread information about the issues important to keeping our ponds and lakes healthy. Funds received from the town of Greenwood go to support these activities, particularly to help cover the cost of lake monitoring. We also raise money through donations and grants.

Based on a review of information from the Annual Meeting held in August, and our mission statement, members of the Board and Advisory Committee have begun to identify some key goals and related activities for the coming year. Some of these include:

- **Building and sustaining CLA membership** - through increased mail and e-mail communications, a spring newsletter, website updates, a new e-mail address, and increased opportunities for member involvement
- **Increasing CLA visibility through** – through frequent articles in *Bethel Citizen* and presence at community events
- **Supporting the current milfoil program** - through continued fund-raising efforts and informational meetings to address progress and pond-specific concerns
- **Promoting our Lake Smart initiative** – a volunteer program to assist lakefront property owners on 'best practices' to protect water quality.

After a surge of growth in membership in 2014, the CLA was pleased that 105 individuals or households renewed their membership dues or became new members in 2015. In addition to their \$25 annual membership fee, 42 people included extra donations to support CLA projects and activities.

Attendees at Annual Meeting in August suggested that the CLA stay in touch with its membership more often during the year to promote visibility and interest. So, in addition to the spring newsletter, a fall update was provided to all members in November to recap CLA activities for the season and highlight some goals for the coming year.

Two other features were added for the convenience of current and prospective members: (1) The CLA membership form was made available for download on the CLA website and (2) a new e-mail address (commmlakesassoc@gmail.com) was created. Information about the Lake Smart program and our milfoil control efforts can also be found on the website and on our facebook page.

Any area residents who would like to receive future mailings are encouraged to contact the CLA and join the mailing list.

PACE Paramedic Service

Citizens of the Town of Greenwood,

PACE Paramedic Service, a Department of Stephens Memorial Hospital is proud to be able to present you with a description of ambulance service for your Annual Town Report.

In 2015, PACE responded to a total of 4098 calls, 77 of which were in in your town. Our average response time for the calls in Greenwood was 10.1 minutes. Our average time has improved due in large part to our addition of a full time 7p-7a Paramedic Level Crew this year that is staged 24 hours / day in our Northern District. We are regularly out the door and on our way to calls in less than one minute with a minimum of three Paramedic Level Crews on duty at all times. As with all of the towns PACE covers, we provided the highest level of care available with a Paramedic on every 911 response. We are also happy to report that we were able to replace two ambulances this year with two cutting edge vehicles that are among some of the safest and most sophisticated ambulances on the road today!

PACE continues to maintain a very close relationship with the fine group of professionals on the Greenwood Fire Department and enjoys being able to work and train with the Fire Fighters whenever possible. Although we usually stage in Woodstock, the GWFD has been excellent hosts in allowing us to stage at the Locke Mills Station from time to time to maximize our resources as the need arises. You can also regularly find us at the GWFD Fish Fries - They are excellent!

In addition to the day time Fire Department coverage Greenwood and Woodstock share, both departments are also Maine EMS Licensed First Responder Services. They respond with PACE on calls bringing highly skilled, lifesaving aid to the citizens. This is truly a neighbor helping neighbor scenario, with local citizens responding to render care at your time of need. Working in concert with PACE, they have proven to be a true asset to the community. At PACE, we can not express our appreciation of their efforts enough. They have been absolutely superb on calls and an essential extension in the chain of survival.

PACE is always happy to visit schools, daycare facilities, organizations, and the like to talk about emergency care and give tours of the ambulances as part of our community outreach program. We are also more than willing to give tours of our station located on the Stephens Memorial Hospital Campus. We provide regular CPR & First Aid training here at Stephens and we are also willing to set up special classes to meet your needs. Please feel free to call 207-744-6126 to schedule tours and training.

Should you have any questions or concerns about ambulance service in your area, feel free to contact the Director anytime.

Yours Truly,

Bob Hand, Paramedic

Animal Control Officer

Ozzie Hart

February 2, 2016

Dear Tax Payers,

Hello everyone it has been another year that I have had a chance too work for you.

Well this last year I have taken classes in Dog Fighting, Verbal Judo and also New England Animal Control / Humane Academy and now I am the Asst. Director of this Academy.

This last year I had 472 calls that I went on in my Towns that I cover. They were from lost cats to cruelty cases, Dogs at large and ECT.

I also work with other group. One is the Cat Coalition of Western Maine, Friends of Feral Felines, Maine Lost Dogs and Recovery and the Oxford County Animal Response Team.

This year I have removed 504 cats for people and I have taken them to shelters where they have been Vet. Checked and given their shots and also neuter or spayed. All these cats were given new home or given back to the owners

Our goal over the next 2 years is with these groups to have over 2000 cat fixed Vet checked and have all of the shots free of charge for the Town and the people.

Sincerely, Ozzie Hart

**REPORT OF
RESPONSIBLE PET CARE OF OXFORD HILLS, INC.
Shelter & Adoption
9 Swallow Road, Paris Maine
www.rpc.petfinder.com ~ Facebook**

Responsible Pet Care of Oxford Hills, Inc. is a non-profit, 501-C3 organization that provides a no-kill shelter for homeless cats and dogs located at 9 Swallow Road in Paris. We are equipped to provide treatment and shelter for 85 to 100 felines and 12 to 15 dogs. All of our cats and dogs are adopted into approved homes for a reasonable fee. All are spayed/neutered, vaccinated, tested and flea treated. In 2015, we adopted out 396 cats and took in 425 strays/surrenders. Dog numbers for 2015 were 102 adopted and 109 returned to owners and 241 strays/surrenders taken in.

"RPC" has agreements with the Towns of Norway, Paris, Oxford, Otisfield, Harrison, Woodstock, West Paris, Greenwood, Hebron, Buckfield, Mechanic Falls, Poland, Gilead, Milton Township and Bethel to take strays. We accept owner surrender cats and dogs when cage/kennel space allows.

- Did you know? One unspayed female cat is capable of producing 20+ kittens per year for most of her life, female kittens start reproducing as early as 6 months of age, *and* siblings will breed. This is why it is so important to spay, neuter and report strays to the animal control officer.
- Did you know? Each time a dog gives birth to puppies it takes two years off her life. When you purchase a puppy, be conscious of where it comes from. Do not support "puppy mills". In "puppy mills", female dogs are bred too often, puppies may be sold too young and dogs may be kept inhumanely. They may be sick or become sick. Be very careful if you purchase a pet on line.
- Did you know? It is unlawful to sell a puppy or kitten before the age of 6 weeks. It is also required that a breeder and/or pet dealer provide the buyer of the puppy or kitten with a written disclosure indicating their history, including healthy records.

Responsible Pet Care can direct you to resources for low cost spay and neuter for dogs and cats. Because of irresponsible breeding, there is an overwhelming necessity to spay and neuter bully breed types. The State of Maine FIX ME spay/neuter program in Augusta is issuing certificates with highest priority to this breed type of dogs and to cats. FIX ME program spay/neuter certificates cost \$10 for cats and \$20 for dogs. Responsible Pet care will cover these fees to qualifying individuals. Additionally, we have grants available to assist owners in the cost of spaying and neutering their pets that do not qualify for FIX ME. To contact FIX ME, 800 367-1317. Diligence in spaying and neutering will eventually make a difference in the number of strays there are in our towns.

Dog licenses are due each year by January 1. If your dog gets lost and is wearing the dog license tag or other identification, there is a very good chance that he will be returned to you. The cost to register your dog is \$6.00 if spayed/neutered and \$11.00 if not. If you do not license your dog by January 31, there is a late fee of \$25.00 per dog. "RPC" urges all pet owners to make sure pets are identified by ID tag, dog license tag and microchip if possible so that pets may be returned if lost. Responsible Pet Care sponsors rabies vaccinations clinics in January and September. For more information regarding those clinics please call us at 743-8679. Also, if you are missing your pet, please call both your animal control officer and Responsible Pet Care.

We thank you for your support and compassion.

INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen
Town of Greenwood, Maine

We have audited the accompanying financial statements of the governmental activities of the Town of Greenwood, Maine as of and for the year ended June 30, 2015, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town of Greenwood, Maine's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities of the Town of Greenwood, Maine, as of June 30, 2015 and the respective changes in financial position, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

TOWN OF GREENWOOD, MAINE
STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCES
GOVERNMENTAL FUNDS
YEAR ENDED JUNE 30, 2015

(Concluded)

Reconciliation of the change in fund balances - total governmental funds
to the change in net position of governmental activities:

Net change in fund balances - total governmental funds	\$ (196,793)
--	--------------

Amounts reported for governmental activities in the Statement of Activities
are different because:

Governmental funds report capital outlays as expenditures while
governmental activities report depreciation expense to allocate
those expenditures over the life of the assets:

Capital asset purchases capitalized	\$ 415,600
Depreciation expense	(283,033)
	\$ 132,567

Government funds report changes in deferred taxes as revenues while government activities do not report changes in deferred taxes	\$ -
--	------

The proceeds of debt issuance provides current financial resources to
governmental funds, but issuing debt increases long term liabilities in
the statement of net position. Repayment of debt principal is an
expenditure in the governmental funds, but the repayment reduces
long-term liabilities in the Statement of Net Position:

Bond obligation principal payments, net of new debt incurred	\$ 103,204
--	------------

Change in Net Position of Governmental Activities	\$ 38,978
---	-----------

See the accompanying independent auditors' report.

Revenue Budget Article

Article 20: To see what sum of money the Town will vote to raise and appropriate from the Non- Property Tax Revenue Budget for the articles approved in Article 6 through Article 19 inclusive and the remainder to be raised by property taxation.

Recommendation: Amount recommended to pass.

\$ 269,500.00 to be appropriated from Non- Property Tax Revenue Budget; and the remainder to be raised by property taxation.

LD 1 Tax Cap Article

Article 21: To see if the Town will vote to increase the property tax levy limit of **\$ 915,726.00** established for Greenwood by State Law in the event that the municipal budget approved under the preceding Articles will result in a tax commitment that is greater than that property tax levy limit.

STATEMENT OF FACTS: Every effort has been made to hold the budget increases to a minimum, if adopted as presented the budget will result in a tax commitment that is below the property tax levy limit. If the preceding Articles are increased in excess of \$ 155.00 and approved by the voters, we have exceeded the property tax levy limit. State law requires voter action to authorize an increase in the limit. A vote on this Article requires a written ballot. If approved increases do not exceed \$ 915,726.00 - no vote is required.

Ordinance Amendments

Article 22: Shall an ordinance entitled **“Enhanced 911 Addressing Ordinance”** be amended and enacted as follows?

Section 11. Enforcement

It shall be the duty of the Codes Enforcement Officer to enforce the provisions of this Ordinance.

~~**Any person in violation of this Ordinance shall be penalized in accordance with Title 30-A § 4452.**~~

Any violations of the provisions of this ordinance shall be subject to a civil penalty, payable to the Town of Greenwood, of not less than \$ 25.00 and not more than \$ 250.00, for each violation, together with payment of attorney’s fees as provided by law.

Article 23: Shall an ordinance entitled **“An Ordinance Amending the Site Plan Review Ordinance”** be enacted?

This Ordinance amendment applies to all development proposals for new, or substantial enlargements of commercial, retail, industrial, institutional, public structures or uses, Commercial Wind Energy Facilities (CWEF), and newly established mineral extractions.

Planning Board recommends the Article to pass.

Copies of the proposed amendment are available at the Town Office.

Dear Residents and Friends of Greenwood,

I hope you are well. Thank you for the opportunity to serve as your State Senator – it is an honor each and every day. I appreciate the faith you have placed in me, and I promise to continue working hard to represent you and to keep you updated on what's happening in the State House. Some of that work is described below. I hope you find this information useful.

Unclaimed Property: if you have a chance, take a moment to check out the Unclaimed Property list. Every year, the Treasurer's Office produces a list of unclaimed property, which consists of money and other personal assets that are considered lost or abandoned when an owner cannot be located after a specified period of time. Visit www.maine.gov/unclaimed or call 1-888-283-2808 to see if you have any unclaimed property.

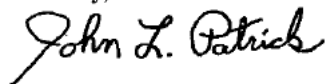

Honorary Page Program: this provides students a chance to observe and participate in the legislative process. As an Honorary Page, students deliver messages, distribute documents, interact with the senators, and take part in a real legislative learning experience. If you know of a student who may be interested, or for more information, please contact my office at 287-1515. It is always an honor help our next generation become more involved in our community.

Legislative Update: in order to keep you informed on what is happening in Augusta, I send periodic emails with updates on legislative happenings and other useful information. Please let me know at http://www.mainesenate.org/senator-contact/?senator_name=John%20Patrick that you would like to receive these emails.

It is my job to ensure that your voice is heard in the State Senate, and I am here to serve as your liaison to government agencies. Please feel free to reach out to me if you are having difficulties with any agency or with your questions, concerns, and ideas. I always welcome fair, open, and lively discussions. I can be reached in Augusta at 287-1515, at home in Rumford at 364-7666, by e-mail at johnpat2000@hotmail.com, or online at the website listed above.

As always, I am honored and humbled for the opportunity to serve you and our community!

Sincerely,

John Patrick

WASHINGTON, DC 20510-1904

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments from 2015.

Growing the economy by encouraging job creation was and remains my top priority. The tax-relief bill signed into law at the close of last year contains three key provisions I authored to help foster job creation and provide small businesses with the certainty they need to invest, grow, and, most important, hire new workers. Another provision I authored that became law last year gives a boost to both Maine's economy and traffic safety. This provision permanently changed the federal law that previously had forced the heaviest trucks onto our country roads and downtown streets, rather than allowing them to use Maine's federal Interstates. In addition, I was glad to help secure another significant award for the University of Maine's deepwater offshore wind initiative, which has the potential to advance an emerging industry and create thousands of good jobs in our state.

Maine's historic contributions to our nation's defense must continue. In 2015, I secured funding toward a much-needed additional Navy destroyer, likely to be built at Bath Iron Works. Modernization projects at the Portsmouth Naval Shipyard that I have long advocated for were also completed, as were projects for the Maine National Guard.

I was also deeply involved in crafting the new education reform law to better empower states and communities in setting educational policy for their students. The law also extends a program I co-authored that provides additional assistance to rural schools, which has greatly benefitted our state. A \$250 tax deduction I authored in 2002 for teachers who spend their own money on classroom supplies was also made permanent last year.

As a result of a scientific evaluation of the nutritional value of potatoes required by a law that I wrote, the wholesome fresh potato finally was included in the federal WIC nutrition program. I also worked on other issues important to Maine's farmers and growers, including research on wild blueberries and pollinating bees.

As Chairman of the Housing Appropriations Subcommittee, I have made combating veterans' homelessness a priority. This year's housing funding law includes \$60 million for 8,000 new supportive housing vouchers for homeless veterans. Since this program began in 2008, the number of homeless veterans nationwide has dropped by one third. Maine has received nearly 200 vouchers to support homeless veterans.

Last year, I became Chairman of the Senate Aging Committee. My top three priorities for the committee are retirement security, investing more in biomedical research, and fighting fraud and financial abuses targeting our nation's seniors. I advocated for the \$2 billion increase in funding for the National Institutes of Health to advance research on such diseases as diabetes and Alzheimer's. The Senate also unanimously passed my bill to support family caregivers. The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for senior citizens to report suspected fraud and receive assistance and has already received more than 1,000 calls.

A Maine value that always guides me is our unsurpassed work ethic. As 2015 ended, I cast my 6,072nd consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Oxford County and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Lewiston state office at 207 784-6969, or visit my website at www.collins.senate.gov. May 2016 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins

INTELLIGENCE
RULES AND ADMINISTRATION

Dear Friends of Greenwood:

It has been a privilege to serve the State of Maine since being sworn into the U.S. Senate.

Much of my time in Washington this past year has been devoted to the Senate Armed Services Committee and the Select Committee on Intelligence. Protecting our homeland and the people of Maine from terrorism and violence remains one of my top priorities. Through my work on the Armed Services Committee, I was able to secure several provisions in the 2016 National Defense Authorization Act that benefit Maine. The legislation authorizes the construction of an additional DDG-51 Arleigh Burke Class Destroyer that could be built at Bath Iron Works and expands the HUBZone program to stimulate economic growth at former military installations like the former Brunswick Naval Air Station.

Returning control to teachers, school districts, and states has also been a primary concern of mine. I am encouraged that the Every Student Succeeds Act has become law. It eliminates the burdensome requirements of the No Child Left Behind Act and ensures access to a quality education for all students. A provision I helped author in the bill will give states the opportunity to pilot the use of their own proficiency-based assessments in lieu of federally-mandated standardized tests. Also included in the bill are several measures I secured to promote local input, fund education technology initiatives, and explore new strategies to increase student access to the internet outside of school.

Communities across Maine have taken bold action to improve their broadband connectivity, and I have been proud to foster federal support for these types of projects. My amendments to the Every Student Succeeds Act will promote the type of work already occurring in Washington County, where students who lack broadband access are able to check out mobile hotspots from their local libraries. Additionally, a bill I co-sponsored, the Community Broadband Act, helped pave the way for the FCC to enact rules protecting the ability of municipalities to invest in better broadband. I am excited by Maine's leadership on this important economic development issue and will continue to support local efforts in this area.

After extensive negotiations, the Senate passed a five-year transportation bill that will increase highway and transit funding in Maine and provide stability to improve our transportation infrastructure. The legislation contains provisions I cosponsored to cut red tape and improve predictability and timeliness by streamlining the federal permitting process for large infrastructure projects. Also incorporated in this bill are my provisions to relieve financial regulations on Maine's community banks and credit unions and to reauthorize the Export-Import Bank, a critical tool that supports communities and small business across the state.

Following my inquiries in the Energy and Natural Resources Committee, the National Park Service has announced they will begin exploring strategies to allow park visitors to purchase electronic passes online and will pilot the program at Acadia National Park. These passes would improve access to our nation's most treasured landscapes and would generate resources for years to come. I remain deeply engaged in preserving Maine's natural beauty and strengthening our outdoor recreation economy.

It is with solemn responsibility that I have focused my energy addressing the opioid epidemic in Maine. This work includes convening roundtables with a wide-range of health care and law enforcement professionals to combat addiction; introducing a proposal to safely dispose of excess prescription drugs; cosponsoring a

Senate-passed bill that addresses mothers struggling with addiction and the alarming effect it has on newborns; cosponsoring the TREAT Act, which expands the ability of medical specialists to provide life-saving medication-assisted therapies for patients battling heroin and prescription drug addiction; and calling on the Commander of U.S. Southern Command to increase efforts to stop the flow of heroin at our southern border.

I like to think of Maine as a big small town – and in a small town, the leaders are accessible and eager to listen. In that spirit, I've made it a priority to stay connected with people from all over Maine who e-mail, write, and call with suggestions or questions. If I can ever assist in your interaction with a federal agency, or you have thoughts, concerns, or personal input on a matter that is currently before Congress I hope you will contact me, let me know where you stand, and engage in this critical part of democracy. Please call my toll-free line at **1-800-432-1599** or one of my offices: Augusta (207) 622-8292, Presque Isle (207) 764-5124, Scarborough (207) 883-1588, or Washington, D.C. (202) 224-5344. You can also write me on our website at www.king.senate.gov/contact.

As always, I am honored to represent the people of Maine and look forward to working with you for the betterment of our great state.

Sincerely,

GOVERNOR

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

Dear Citizens of Greenwood:

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities is the reduction and eventual elimination of the income tax. Some are pushing to raise the minimum wage, but I want Mainers to earn a maximum wage. Reducing the income tax is the biggest and most immediate pay raise for all hard-working Mainers.

Not only does an income tax cut put more money back in your pockets, but it will also attract businesses that can offer good-paying careers to keep our young people here in Maine. It shows the nation that we are serious about wanting people and businesses to come—and stay—in Maine.

Another of my priorities is to lower the cost of student debt in Maine. If young people are struggling with too much student debt, they are unable to afford homes or vehicles. We are now offering programs to help them lower their debt, stay in Maine, begin their careers and start families.

To provide good-paying jobs for our young people, we must also work hard to reduce our energy costs. High energy costs are a major factor in driving out manufacturers, mills and other businesses that need low-cost electricity. I am committed to lowering the cost of energy, not only to attract job creators, but also to allow Maine people to heat and power their homes affordably and effectively.

And finally, we are making progress to address the drug pandemic in our state. It is my most important duty to keep the Maine people safe. While education, treatment and prevention efforts are important, we must get the dealers off the streets. I am pleased the Legislature has finally agreed to fund my proposal for more drug agents to stem the supply of deadly opiates flowing into our communities, but our law enforcement agencies are still understaffed. We must do more.

It is a pleasure serving as your Governor. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Sincerely,

Paul R. LePage
Governor
